CURRENT RESEARCH PROJECTS

Readiness in Pharmacy Students Preparation to Provide Pharmaceutical Care for NCD patients in ASEAN Countries: a qualitative study

Funding: Faculty of Pharmacy, Mahasarakham University 60,000 baht

Developmental Evaluation of a pilot project to decrease the service crowness at Roi-Et hospital

Funding: 100,000 baht from HITAP 50,000 baht and Faculty of Pharmacy, Chulalongkorn University 50,000 baht

Opinions of health care providers on health promotion and tobacco control in pharmacy services for social enterprise innovation

Funding: The Health Promotion Foundation 56,250 baht

COMPLETED RESEARCH PROJECTS

A model of the collaboration between community pharmacies and national health insurance in the city of Mahasarakham Province

Funding: Thai FDA and Pharmacy Network Health Promotion Program

The Development in Health Promotion Network project between community pharmacies and primary care units in Roi-et and Maha Sarakham provinces.

Funding: NHSO, 1,001,700 Bahts

Systematic review of community pharmacy practice research

Funding: Siam University, Bangkok, 60,000 Bahts

ADVERSE DRUG REACTION MONITORING OF NON-STEROIDAL ANTIINFLAMATORY DRUGS (NSAIDs)
BY PATIENT SELF-REPORTS AT UNIVERSITY PHARMACIES

Funding: Mahasarakham University
